

## Future of Downtown Venice Survey

### Concepts for downtown streets, parking and traffic

**In advance of a Venice City Council special meeting at 10 a.m. Friday, Jan. 13 to discuss the future of the downtown area, city staff is requesting input from the public. Thanks to voter approval of the Road Bond in November, the city is currently in the process of reconstructing the aging downtown streets, curbing and sidewalks. It has been suggested that the city take this opportunity to make significant changes to downtown. Please provide your input on the concepts mentioned below and include any additional ideas you may have to enhance our charming downtown area. Please complete this survey by Tuesday, Jan. 10. Thank you for your valuable input.**
