Subject: Beach smoking ban
To: "Robert Daniels" <RDaniels@Venicegov.com>

Honorable Councilperson:

I respectfully implore you to keep and enforce the smoking ban on public beaches. As a person suffering with asthma there are few public places I can go. I can't enjoy the outdoor concerts at centennial park due to smokers, I can't enjoy a meal at a table on the sidewalks of Venice due to smokers, and I can't even walk into a grocery store or pharmacy without running into employees and patrons smoking near the entrance. Please enforce and keep the smoking BAN on public beaches. Keep the signs up and let the law enforcement patrol the areas.

Thank you for your consideration.
