

# CITY OF VENICE POLICE DEPARTMENT

TOM MATTMULLER \* Chief

TO: Ed Lavallee, City Manager

FROM: Tom Mattmuller, Chief

DATE: February 1, 2017

CITY COUNCIL MEETING DATE: February 28, 2017

SUBJECT: Council Agenda Item – Request to Send Police Boat Motors to Auction

Background: The items listed below are boat motors for auction. The Marine Patrol Unit of the Venice Police Department reviewed these items. The boat motors are no longer cost effective to maintain and are no longer under warranty. Because of this, I request the items are disposed of as detailed in the City's fixed asset policy and also removed from the City's asset and insurance policy lists. The motors will be put up for auction at the Tampa Machinery Auction to the highest bidder. The monies will be deposited into the WCIND grant account to offset the purchase of the current new motors.

Auction Items:

- 1) 2012 Mercury Verado 300 boat motors- standard rotation
- 2) 2012 Mercury Verado 300 boat motor- reverse rotation

Requested Action: We recommend that City Council declare these boat motors as surplus and direct the Venice Police Marine Patrol Unit along with the Finance Department to properly dispose of the items in accordance to the fixed asset policy.
