(b) The Tax Collector shall collect and enforce the non-ad valorem assessment of the City as certified to the Tax Collector no later than 15 September of each calendar year on compatible electronic medium, tied to the property identification number for each parcel.

In making this decision, the Tax Collector shall consider all costs to the City and to the taxpayers receiving the separate mailing as well as the adverse affect on the taxpayers receiving multiple notices. If such a separate mailing is affected, the City shall bear all costs associated with the separate notice for the ad valorem assessment.

(f) The Tax Collector shall, at each distribution of funds, deduct 1 1/2% of the assessments collected to reimburse the actual costs incurred. On or before September 30th of the year following the assessment year, the Tax Collector shall compare total actual costs expended to the total amount deducted from the distributions.
