Bob

The County Administrator's policy is that our City Council, as a body, has to first direct me to ask the County Administrator to assign a county staff member to attend a Venice Council meeting. – then he will act on the request. Therefore, if you put it on the agenda for Feb.28th meeting, our Council can address the issue. Then I can request the County Administrator to assign his staff to schedule a date to give us the update. thanks

Councilman Daniels,

Thank you for your request. I will discuss with County Administration and look forward to replying back to Mr. Lavallee. Please be aware, Mr. Harmer is on leave through the holidays, so it may be early in 2017 for our next correspondence.

Enjoy the upcoming holidays.
