Lori,
Please put Tim Hochuli's memo dated 01/30/17 on the first meeting in March under Council Action.

Suggested motion:

I move to direct staff to modify Code Section 74-127 to state that the customer is only responsible for maintenance of a sewer line from the residence to clean out or property line, whichever is shorter. The City is responsible to the sewer line from the property line or clean out to the main.

Thanks,
John
