**Subject:** parking lot

Lori,

Please place under Council Action:

I move to proceed with the planned parking lot at North Brohard Park Beach.

Please have Engineering resubmit the back up data or you can duplicate what we had several months ago at a council meeting. We are coming up on the slower part of the year and have to get this going if it is to be available for the next winter season. This request is consistent with the Parks Master Plan and our Strategic Plan.

Thanks,

John
