MEMORANDUM

TO: Planning Commission Members

FROM: Jeff Shrum, Development Services Director

SUBJECT: Workshop - Draft #2 Comprehensive Plan Update

DATE: April 6, 2017

Included in the packet for the April 12, 2017 workshop is a 2nd version (strike through and underline format) of the draft update to the comprehensive plan. This version indicates the changes proposed as a result of input by the public, request by the Planning Board, and suggestions by staff to mention a few. Staff will be highlighting the significant changes and topics where there may still need to be discussion/direction on the proposed language and discuss the cover page for the Plan.

The associated 2nd draft of the Data Inventory and Analysis (DIA) will be generated after the April 12, 2017 meeting to capture any suggested changes. I expect the revised DIA will be available later in April and prior to the May 3, 2017 Transmittal Public Hearing.
