

MEMORANDUM

TO: Mayor and Council
FROM: Lori Stelzer, City Clerk 
RE: Consent Agenda – April 11, 2017
DATE: April 7, 2017

1. **Change Time of the Public Hearings for Ordinance No. 2017-12 from after 5:00 p.m. to 9:00 a.m. on May 9 and 23, 2017, for Amendment to Land Development Code, Adding "Parking, Principal" and "Childcare" as Permitted Uses in Planned Industrial Development District**

State law requires that certain public hearings be held after 5:00 p.m., unless the City Council, by a majority plus one vote, elects to conduct that hearing at another time. There are public hearings scheduled for May 9 and 23, which would require one to be scheduled after 5:00 p.m.

Council approval is required to set the public hearings for Ordinance No. 2017-12 at 9:00 a.m. or shortly thereafter on May 9 and 23, 2017.
