

CITY MANAGER'S REPORT

AGENDA ITEM REQUEST

UTILITIES DEPARTMENT

DATE: May 4, 2017

TO: Ed Lavallee, City Manager

FROM: Tim Hochuli, PE, PMP, Utilities Director *TAH 5/4/17*

COUNCIL DATE: May 23, 2017

SUBJECT: Modification of Code Section 74-127

Background:

Utilities Department staff was directed by Council on March 14, 2017 to modify Code Section 74-127 to amend the City's maintenance responsibility of a sewer lateral. As currently written, the City of Venice places the maintenance responsibility for the entire sewer lateral on the customer if no cleanout exists at the property line. If a cleanout exists at the property line, the City of Venice assumes maintenance responsibility of a sewer lateral from the main to the cleanout. The modification of Code Section 74-127 states the City will assume maintenance responsibility of a sewer lateral from the main to a cleanout or to the property line if a cleanout does not exist.

Requested Action:

The Utilities Department requests Council's execution of the modification of Code Section 74-127

City Attorney Review:

The City Attorney has reviewed this document and finds its form acceptable.

Risk Management Review:

The Risk Manager has reviewed this document and finds no risk management objections.
