CITY MANAGER

The City Manager is appointed by the City Council and serves as the Chief Administrative Officer responsible for management and execution of daily operations. Primary duties include implementing policies established by the Mayor and Council as well as making recommendations to the City Council regarding the annual budget, efficient delivery of city services, community relations and strategies for achieving the community's vision.

Included in the staffing are the City Manager, Assistant City Manager, Marketing and Communications Officer, and an Executive Assistant.

Goal	Objective	Performance Measure	FY 17 Accomplishments and FY18 Goals		
		Research alternative strategies to conventional beach re- nourishment by April 1, 2016	Examined groins in other locations; considered not suitable for Venice shoreline; consulted with scientist on methods of recovering sand from Nokomis; research on-going; primarily protective of USACOE 50-year contract with city		
	Maintain pristine beaches	Monitor stormwater outfalls for effective reduction of pollutant discharge into Gulf. Report findings in six month increments.	Accomplished; monitoring and reporting will continue.		
		Update turtle season light management plan by August 1, 2016.	Accomplished; management plan revised with FWC approved FPL red LED turtle lights replacing the City's seven seasonally turned off/on standard "white light" street lights late calendar year 2017, reducing the number of seasonally turned off lights to three FPL flood lights on private property; removed light shields from lights in areas remote from the beach and not impacting nesting sea turtles for improved pedestrian visibility and safety.		
Keep Venice Beautiful and Eco-friendly	Improve Gateways to historic downtown	Develop a gateway improvement plan by April 20, 2016	Several individual projects completed, including reclaimed water provided to medians on East Venice Avenue between bridge and US-41 Bypass, stormwater pond and surrounding wall adjacent to north side of East Venice Avenue at Utilities Water Plant renovated and cleaned with fountain re-established in pond, and installed vegetative barrier around sewer lift station abutting Eagles Nest residential neighborhood. Also working on standardizing signage among gateways.		
		Survey public-private property opportunities for gateway enhancement by January 30, 2016	Gateway Focus Group has this as one item on their agenda, and has included Venice Grants Administor to join the group.		
		Coordinate with volunteer groups for gateway enhancement strategies by January 30, 2016	Gateway Focus Group includes representation from Venice Mainstreet and the Chamber of Commerce, and continues to match up projects to volunteers.		
	Create a plan for energy conservation	Conduct a citywide energy audit by November 30, 2015	Have a obtained a draft scope of work from one of the City engineers-of-record to conduct this work.		
		Implement citizen-based Traffic Management Advisory Committee by October 1, 2015	Accomplished and ongoing.		

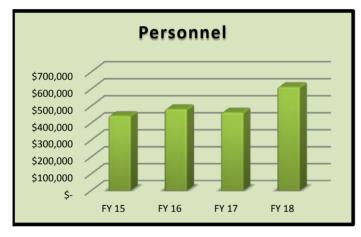

Goal	Objective Performance Measure		FY 17 Accomplishments and FY18 Goals				
	Develop and Implement a Comprehensive Traffic Management Plan	Research traffic movement and parking strategies for Special Events by November 1, 2015	Accomplished; traffic counters and message boards acquired. Entry and parking strategies explored and found successful. Exiting plan for Festival Grounds large events permited by FDOT and implemented at two events in early 2017 with success.				
	Provide structured Customer Service training for employee groups	Initiate by April 30, 2016	Accomplished for all department late FY16/early FY17 for both Customer Service and Senior Sensitivity.				
Provide Efficient,	Conduct analysis of citizen-government communication patterns.	Complete by June 30, 2016	Accomplished; implemented SeeClickFix in late FY16/early FY17 with very good success judging by participation statistics, with over 800 items entered into the system as of late May 2017.				
Responsive Government	New: Enhance ongoing utilization of social media to communicate and promote city activities and projects.	Increase the number of "likes" of our Facebook page by 50% (2000 currently) by June 30, 2017	Accomplished: City utilization of social media outlets, such as Facebook and Twitter, has been implemented and continues to grow at a rapid pace. Upgrade/replacement of City web page software and delegation of its maintenance to individual departments is targeted for completion by October 2017. As of May 22, 2017, Facebook "likes" totaled 4,686.				
Ensure Financially Sound City	Enhance CIP budget development process for long-term expense management	Present model by February 20, 2016	Accomplished; Surtax III detailed model presented to City Council and adopted into FY17 budget.				
	Develop strategy to increase fund balance for General Fund	Present by March 30, 2016	Accomplished and ongoing; working towards adoption of a fire fee assessment for FY18.				
Upgrade and Maintain City Infrastructure and Facilities	Develop structured audit of physical condition of City buildings.	Present plan by May 1, 2016	Accomplished; initial asset inventory completed, and with costs estimates to address all top priority items (about 2 dozen) being refined with FY18 budget preparation.				
	Develop multi-year road improvement plan	Initiate October 30, 2015	Accomplished, with annual improvements to local streets occuring beginning FY17 by both City and County, and with a major upgrade to US-41 Bypass continuing in FY17.				
Encourage and Support a Growing and Diverse Economy	Pursue county, state, and federal funding to support local programs and projects.	Report findings quarterly	Accomplished and continuing; State funds for both street improvements and utility improvements obtained for FY13 of \$1.3 million and \$0.5 million respectively; additional funds for these same two areas for FY18, \$1.0 million and \$0.5 million respectively, are approved by state legislature as of May 2017 and are pending Governor's approval.				

Goal	Objective	Performance Measure	FY 17 Accomplishments and FY18 Goals		
	Coordinate personnel and material resource allocation to support private industry growth	Initiate improvments to Comprehensive Plan, Zoning Code, and Land Development Code to provide better opportunity for commercial growth.	Accomplished and ongoing; rewrite of the Comprehensive Plan, Zoning Code, and Land Development Code are underway and with the Comprehensive Plan approaching transmittal to the state in mid-FY17 with adoption following.		
	Restrict use of unique and limited- source funding to non-recurring expenses	Identify unique and limited funding sources.	Accomplished; BP settlement monies utilized to fund AJAX property purchase and fund upcoming renovations to City Hall entry plaza.		
	Engage City staff in forums with resident and business groups to promote effective communication.	Minimum of ten staff forums collectively per year	Implemented and ongoing on an annual basis.		
Preserve Venice Quality of Life through Planning	Develop a plan to establish a formal inventory of historic structures and resources	Initiate by January 20, 2016	Accomplished; assigned to Historic Preservation Board. In futu these should occupy a layer in the City GIS.		
	Update Comprehansive Plan and Land Development Regulations to manage growth	Report updates to Council quarterly	Accomplished and ongoing; rewrite of the Comprehensive Plan, Zoning Code, and Land Development Code are underway and with the Comprehensive Plan approaching transmittal to the state in mid-FY17 with adoption following.
