We, the Board of Directors, at Casa Del Lago thank you for your making time to meet with our representatives this morning. We want the Planning Commission to be informed that, under present drawing plans (3-25-17), we are pleased with the proposed landscaping/buffer planned for the border between The Eye Associate commercial building and our residential property. Please forward this to any and all concerned with the progress of the construction.

Jim, Casa Del Lago condominium owners received a letter from eye associates. Does this mean the eye associates are going ahead with the plans for developing lot next to us .When we visited and talked to you they had not gotten back to you with there plans. Are there any changes to the plans originally in your office?? Thanks Bob Volmering Casa Del Lago
