**TO:** Edward Lavallee, City Manager

**FROM:** Peter Boers, Procurement Manager

**DATE:** July 5, 2017

**SUBJECT:** City of Venice Road Resurfacing Project, Phase 1 – Local Preference Evaluation

---

### **Background:**

On Thursday, June 15, 2017, we opened the bids for the above referenced project. We received two (2) responsive bids; \$6,858,554 from Ajax Paving Industries of FL, LLC (Ajax), and \$6,445,341 from Preferred Materials, Inc. Since the difference was within 10% (6.4%), local preference should apply. However, Preferred Materials submitted the attached *Local Preference Worksheet* self-identifying themselves as being eligible for local preference. Preferred Materials operates a facility in the same general area as Ajax in N. Venice, and three other locations within the four (4) county (Charlotte, Sarasota, Manatee, and DeSoto) area.

In addition, I requested follow-up information from Preferred Materials, Inc. to substantiate their claim to local preference, which was provided promptly by the bidder.

Specifically:

- Provided a local Business Tax Receipt for Sarasota County, to substantiate their response to question #1 on the *Local Preference Worksheet*. In addition, a Business Tax Receipt for Charlotte County, and a Re-sale Certificate (DR-14) for their Bradenton location was provided, which would also have qualified them for local preference. Manatee County does not issue Business Tax Receipts.
- Provided a listing with Employee's Name, City, Zip Code, and County of residence for each of the 35 employees that work from the four (4) locations within the four (4) counties to substantiate their response to question #4. I reviewed the list and determined that 80% (28 of 35) of their employees live within the four (4) county area.

- Provided the name and address of a Corporate Officer, Kenneth C. Laing, who resides within the four (4) county area in response to question #7. The Officer's name appears on the Corporate Resolution included in their bid submittal, and the address was verified from the Sarasota County Tax collector's website.

It is my determination that the apparent low bidder, Preferred Materials, Inc., meets all of the requirements of a "Local Business" as defined in Section 2-211.

*Local business* means the vendor has paid a local business tax to Sarasota, Manatee, DeSoto or Charlotte County and or a municipality within these counties in which the vendor maintains a permanent physical business address from which the vendor operates or performs business, and at which at least one full-time employee is located. In addition, 50 percent or more of the employees based at the local business location must reside within Sarasota, Manatee, DeSoto or Charlotte County. In the event the local office is not the primary location of the vendor, at least ten percent of the vendor's full-time employees must be based at the local office location. Alternatively, this requirement may be satisfied if at least one corporate officer, managing partner or principal owner of the vendor resides in Sarasota, Manatee, DeSoto or Charlotte County.

Prior to issuing the Notice of Intent to Award, I conferred with the Office of the City Attorney and provided my findings to the City Manager via e-mail. I notified Ajax of our intent to award to Preferred Materials, Inc., and I issued the Notice of Intent in a manner that would allow ample time for Ajax to file a notice of intent to protest. A bid protest was not filed.

**From:** Kathleen J. Weeden, PE, City Engineer

**Date:** June 16, 2017

**Subject: Recommendation to Award**  
ITB 3061-17 City of Venice Resurfacing – Phase 1

---

**Background:** On November 8, 2016, a Road Bond Voter Referendum was approved by a majority vote of the registered voters in the City of Venice. Phase 1 of the resurfacing project includes milling, re-surfacing and striping of approximately 32.5 total miles of existing roadway as illustrated on the attached map and table. ADA sidewalk ramp upgrades, sidewalk panel replacement, curb replacement and base repairs will also be completed as part of the Phase I scope of work. Preferred Materials, Inc. has been found to be the lowest responsive and responsible bidder and a review of their qualifications indicates that they have adequate resources and experience to complete the project. Based on the documentation submitted, Preferred Materials, Inc., has met the criteria to be considered a local firm.

**Recommendation:** Based on a review of the information, the Engineering Department recommends proceeding with contract award to the lowest responsible and responsive bidder, Preferred Materials, Inc., for the City of Venice Resurfacing – Phase 1 Project in the amount of \$6,445,341.70.

**Funding:** This project is fully funded with the Road Bond Proceeds under CIP #GO147R3.

Said bonds become an integral part of these Contract Documents and shall meet the following requirements:

1. Surety bonds submitted shall be written by a surety company that is approved by the City Finance Director and authorized to do business in the State of Florida, shall be accompanied by evidence of the authority of the issuing agent, and shall be on a form to be approved by the City Attorney. A claimant who is not in privity with the contractor and who has not received payment for his labor, materials, or supplies shall, within 90 days after performance of the labor or after complete delivery of the materials or supplies, or with respect to rental equipment, within 90 days after the date that the rental equipment was last on the job site available for use, deliver to the contractor and to the surety written notice of the performance of the labor or delivery of the materials or supplies and of the nonpayment. No action for the labor, materials, or supplies may be instituted against the contractor or the surety unless both notices have been given. No action shall be instituted against the contractor or the surety on the payment bond or the payment provisions of a combined payment and performance bond after 1 year from the performance of the labor or completion of delivery of the materials or supplies. A claimant may not waive in advance his right to bring an action under the bond against the surety. In any action brought to enforce a claim against a payment bond under this section, the prevailing party is entitled to recover a reasonable fee for the services of his attorney for trial and appeal or for arbitration, in an amount to be determined by the court, which fee must be taxed as part of his costs, as allowed in equitable actions."
