“EXHIBIT A”

Stipulations

Rezone No. 05-13RZ

I. Pre-Annexation Agreements. Except as may be amended or revised in these Stipulations, the Conditions set forth in Section 6 of each of the three (3) Pre-Annexation Agreements applicable to the properties of the Applicants, and recorded as Instrument #2004126864 in the Public Records of Sarasota County, shall be included as conditions. The three (3) Pre-Annexation Agreements are:

1. Miami Valley. Pre-Annexation Agreement dated June 8, 2004, between the City of Venice and Miami Valley Ready Mix of Florida, Incorporated; and
2. APAC. Pre-Annexation Agreement dated June 8, 2004, between the City of Venice and APAC-Southeast, Incorporated; and
3. Venice Minerals and Cemex. Pre-Annexation Agreement dated June 8, 2004, between the City of Venice and R. Gene Smith.

II. Additional Stipulations Applicable to all Applicants and all Properties:

1. **Restriction of Permitted Uses.** Permitted land uses are restricted to those identified in the City of Venice Ordinance No. 2004-26, recorded as Instrument #2004126864 in the Public Records of Sarasota County, Florida, and the City of Venice Planned Industrial Development (PID) zoning district, Chapter 86, Section 86-132(c), of the City of Venice Code of Ordinances. Notwithstanding the foregoing, the following uses within the PID zoning district shall be prohibited:

- a. Experimental laboratories.
- b. Helicopter landing pads.
- c. Retail and repair establishments for sale and repair of new and used automobiles, motorcycles, trucks and tractors, manufactured homes, boats, automotive vehicle parts and accessories (including junkyards or automotive vehicle wrecking yards), heavy machinery and equipment, or farm equipment, and retail establishments for sale of farm supplies, lumber and building supplies or monuments, and similar uses. The foregoing shall not preclude on-site repair of Applicant's machinery and equipment used in the conduct of business on the subject property.
- d. Vocational, technical, trade or industrial schools and similar uses.
- e. Medical clinics in connection only with industrial activities.
- f. Miscellaneous uses such as express offices, telephone exchanges, commercial parking lots and parking garages, motorbus or truck or other transportation terminals and related uses.
- g. Radio and television stations and transmitters.
- h. Railroad rights-of-way and sidings.
- i. Paint manufacturing.

2. **Building Setbacks.** As to all future development on the subject properties, all minimum building/structure setbacks shall comply with Chapter 86, Section 86-132(g)(4), of the City

of Venice Code of Ordinances and, unless otherwise determined by the Planning Commission, when such future development is adjacent to residential zoned properties, no parking, vehicle use, or mining/extraction/processing staging areas may be located within the required 75' setback, except as authorized by the Access & Utility Easement granted to Sarasota County dated October 25, 2004, and recorded as Instrument No. 2004206846, in the Public Records of Sarasota County.

3. Buffering. Unless otherwise determined by the Planning Commission, future site and development plan applications shall reflect, at a minimum, a 25' wide vegetative buffer with all adjacent residential and commercial zoned properties. The buffer shall provide an 80% opaque screening as measured from zero to 8' elevation prior to certificate of occupancy. The Planning Commission shall examine the appropriate qualitative buffering standards including, but not limited to berming, structural walls, and plant materials (ground covering, shrubs, and trees) to achieve an 80% opaque screening.

4. Lighting Control. All existing and future businesses shall orient or shield any security or operational lighting so as to minimize light intrusion to existing residential areas, consistent with security and operational needs and regulatory requirements.

5. Air Quality. Emissions of unconfined particulate matter beyond the property boundaries is not permissible. Pursuant to Florida Administrative Code, Rule No. 62-296.320, emission control measures shall be employed as necessary to prevent these emissions from every potential source of particulate matter, including unpaved haul roads, active excavation areas and grinding/crushing equipment.

6. Noise Abatement. Noise control shall meet all provisions of Chapter 34, Article II, of the City of Venice Code of Ordinances, and any future amendments thereto, if any.

7. Earthmoving Ordinances. Nothing in these Stipulations will impact the applicability or non-applicability of any earthmoving ordinances.

III. Additional Stipulations only applicable to Venice Minerals and Mining, LLC ("VM") and the VM property:

1. Relocation of Concrete Recycling Facility. At such time as VM has ceased its mining activities in the excavation area to the east of the subject property and has disposed of its then existing stockpiles of excavated and processed materials :

(i) the sand and rock plants on the VM property south of Gene Green Road shall be dismantled and removed; and

(ii) the existing concrete recycling facility shall be moved to the present location of the VM sand plant, said location being approximately 900 feet north of the current location of the concrete recycling facility. The relocation of VM's current concrete recycling operations approximately 900 feet north of its existing location will require no further approvals of the City of Venice or any of its regulatory agencies.

2. Additional Use Restrictions. New development of excavation operations, concrete recycling, concrete production, asphalt production or asphalt recycling shall be prohibited on the VM

property south of Gene Green Road.

3. Stockpiles. Reasonable commercial efforts shall be exercised to ensure that all stockpiles are properly watered to prohibit dry particulate matter from becoming airborne to the extent reasonably possible. Commencing at the time that VM has ceased its mining activities in the excavation area to the east of the VM property and has disposed of its then existing stockpiles of excavated and processed materials, no stockpile on the VM property shall exceed 25 feet in height. For this purpose, height shall be measured from the existing grade at the base of the stockpile at the time stockpiling is commenced or the existing grade immediately adjacent to the stockpile, whichever is greater.

4. Existing Vegetative Buffer. Except for activities authorized by the Access & Utility Easement granted to Sarasota County dated October 25, 2004, and recorded as Instrument # 2004206846, in the Public Records of Sarasota County, there shall be no removal of any of the tree and vegetative buffer currently existing along the southern property line of VM, except as may be required in connection with any of the various governmental and environmental permits applicable to the VM property.

5. Hours of Operation. The permitted working hours for VM's mining and processing operations south of Gene Green Road shall be amended to be as follows:

VM property	
South of Gene Green Road	7:00 AM – 6:00 PM, Monday-Saturday
