RE: Hurricane Irma Volunteer and City Employee Response Thank You

DATE: October 17, 2017

Attached is a list of volunteers that provided services to the City of Venice during the Hurricane Irma event. Services included working at the Venice Community Center shelter and assisting in relocating and protecting the City's valuable historic resources.

The City of Venice is extremely grateful for the efforts of these volunteers who helped protect our citizens and our valuable City assets. Additionally, in gratitude for the preparation work and subsequently for responsive actions during the storm, several local restaurants, including Café Venice and Ristorante San Marco, have offered free lunches to City of Venice employees.
