City of Venice Engineering Department

To: Edward Lavalley, City Manager

From: Kathleen J. Weeden, PE, City Engineer

Date: November 3, 2017

Subject: City Council Meeting 11/14/2017

Downtown Construction for Venice/Miami/Tampa from Harbor Dr. to US 41
Business Funding Agreement Resolution

Background: The attached Resolution and agreement provide funding to complete a portion of the Downtown Corridor Roadway and Pedestrian Improvements Projects. A total of \$775,723.00 has been made available through the Sarasota Manatee Metropolitan Planning Organization (MPO) in the Florida Department of Transportation Work Program. The Local Agency Participation (LAP) Agreement to be executed provides funding for construction including upgrading sidewalks, pedestrian crosswalks (including in-pavement lighting at midblock crossing), ADA ramps, road improvements and furniture/amenities. The overall downtown project funding is being supplemented by various funding sources and the LAP Agreement funds reduce the portion of local share to complete the project.

Requested Action: City Council motion to approve Resolution No. 2017-28 to authorize the Mayor to execute Local Agency Program Agreement for Construction for Venice/Miami/Tampa Ave from Harbor Dr. to Business US 41.

City Attorney: Under review.

Risk Mgmt.: Under review.

Fund Availability: N/A – MPO funds only.
