CONTACT MY LEAGUE

Thank you for your interest in Little League®. Once you have completed the league finder process, and determined that your home or school address is within the boundary of a chartered Little League, an email notification will be sent to the League President of the league that was located. You will then be contacted by the local League President who will provide information about the program, registration dates and to ensure you have located the appropriate league based on your residential address or school enrollment. For additional assistance, please contact LeagueFinder@LittleLeague.org.
