Subject: Jan. 9, 2018 Council Agenda Item

Place under New Business: Bob Daniels Vice Mayor

Issue: many park user residents are losing parking space at Hecksher Park due to full time employed people taking the space for over 8/9 hours daily. Shift operation takes more hours away from park users tying up spaces up to 16 hours per day .

Propose changing this Hesksher parking to 3 hours just like our two other Historic Main Street public lots.

Motion: direct staff to process the change of use to 3 hours with posted signs. City will notify area businesses of the change. Completion date of February 28, 2018.

Note: parking for working employees is available at Mothers House Lot owned by Epiphany Church. This Public Lot has over 60 Free spaces that have been available since 2016. It's one block from the park at the intersection of Harbor Drive and Manatee Court.

HECKSHER PARK

Sarasota County Parks & Recreation Department
City Owned - County Operated

Employee parking lot. Posted Public ParkingFree parking

One block from park across from Mothers House . Free Parking

Regards,
Vice Mayor Bob Daniels
