- B. Charge for potable water for lawn spraying companies - \$5.00 per 500 gallons. Anything over 500 gallons - \$10.00.

**West Blalock Park:**

The continued use of West Blalock Park is recommended for community and cultural events. However, there should be limitations on its uses, provisions for such uses and a more time efficient method of obtaining approval. The goal of this section is to provide Council with prudent and necessary guidelines.

Event Types: Any event held in the park should be non-profit in nature, open to the public and in the public interest. There are two types of events that may be held: "intense events" which are events that last over five hours, and shorter "non-intense events." There should be no more than three "intense events" annually with sixty days between each "intense event." "Non-intense events" should not be held with unreasonable frequency.

**Responsibility and Approval:**

- A. The preliminary plan for the use of the Park shall be submitted to the City Manager within thirty days prior to the date of the scheduled event, and no less than fourteen days prior to the scheduled event, the group will submit a final usage plan for the park and the list of vendors and exhibitors.
- B. Before and after the event, the Public Works Department will have a representative survey the area and/or premise for a fair estimation of the conditions of the park. Any excessive damage will be the responsibility of the event holder to repair as determined by the City.
