Dear Property Owner for property located at 224 Gulf Dr, Venice 34285

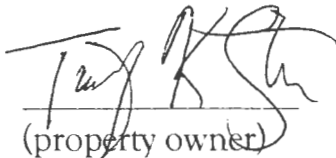

It has recently been determined that your property, as well as others within the City, were not formally rezoned to a City zoning designation when your property was annexed into the City. Attached is a letter from the City Attorney on the subject of how building permit applications will be addressed until a rezoning is accomplished.

The City plans to formally rezone all properties once it completes and has approved its new Comprehensive Plan and land development regulations. It is estimated that this will occur in 2019. To resolve any ambiguity that might exist in the meantime, the City is offering a fee waiver and is willing to have staff process an application on your behalf to formally rezone your property to its comparable City designation this year. Please indicate your choice by checking the appropriate box below.

We are happy to answer any questions that you might have.

☒ I authorize the City to process a rezoning of the above property to its comparable City designation this year on my behalf. (Note: If this option is selected, the City will follow-up with you regarding additional information needed to complete the process)

☐ I elect to have my property rezoned once the Comprehensive Plan and land development regulations are approved.
