Stop Sign Issue at Club House Drive/Golf Drive and the Venice Waterway Park

Last meeting, we discussed this issue and it was mentioned that the land which the VWP crosses is owned by Country Club Estates, and a stop sign cannot be placed on private property without permission.

If Country Club Estates owns the land over which the VWP crosses, there would have to be some kind of easement involved. With easements, come rights. Wouldn't placing a stop sign at a dangerous intersection be covered by that?
