Dear Mr. Lavallee

On 10/22/2016, A² Group, Inc was the low bidder for Project No. 3047-16 City of Venice Parking Lot Site – 3(Rebid). This letter will serve as notice of our willingness to complete the project for the pricing provided in the original bid. We believe this project is beneficial to the community and local business owners in the area. Our company recently completed the Legacy Park project for the City of Venice and it was a pleasure working with all city staff.

We look forward to working with the City of Venice on this project. If you have questions or comments, please feel free to contact us at any time.

Sincerely,
