

MEMORANDUM

City of Venice

Public Works Department

TO: Edward Lavallee, City Manager

FROM: John Veneziano, Public Works and Asset Management Director

DATE: July 26, 2018

COUNCIL APPROVAL: Yes

MEETING DATE: August 28, 2018

STRATEGIC PLAN GOAL: Provide Efficient, Responsive Government with High Quality Services

SUBJECT: Inter-local Agreement (ILA) with Venetian Community Development District (VCDD) for Disaster Debris Removal.

Background: The Venetian Golf and River Club is a Community Development District (CDD). A CDD is a form of special purpose local government, so the roads of a CDD are public roads, not private. Although these roads are public, they are maintained financially and physically by the CDD, therefore, if the city collects disaster debris from roads in the community, it is necessary to have documentation ensuring the city and its contractors will be held harmless for damages to the roadway.

Requested Action: For the City Council to approve the ILA and the Mayor to sign.

City Attorney Review/Approved: Yes

Risk Management Review: Yes

Finance Department Review/Approved: No
