MEETING DATE: September 5, 2018

SUBJECT: FY18 Budget Changes Since June Budget Workshops

Background

Discussions at the budget workshops and events have happened since our last budget workshop on June 25, 2018 that caused changes to the proposed FY19 budget, as it existed at the beginning of the workshops. These events include the following:

General Fund #001

- A new agreement with the School Board of Sarasota County for three School Resource Officers resulting in an addition to general fund revenues.
- The General Fund operating millage was increased .1000 mills; from 3.6000 to 3.7000.
- Property Values increased slightly from the June 1, 2018 valuation to the July 1, 2018 valuation.
- City Council adopted Ordinance No. 2018-17: an Ad Hoc Cost of Living Adjustment (COLA) for the Municipal Police Officers' Pension Trust Fund.
- Funding for the Lord Higel House Parking Lot was moved from the General Fund to the Building Fund and the General Capital Projects Fund.
- Funding to repair parking lot lighting at the South Jetty was removed since the project was completed in-house.

Boat Registration Fees Fund #109

• Added West Coast Inland Navigation District (WCIND) funds related to the Venice Police Marine Unit. The CIP expenditure request from the Boat Registration Fees Fund will be used for the new building improvements to include disconnect and reconnect of utilities and to help match assistance with WCIND who will be providing the majority of the funding for the new building.

One Cent Sales Tax Fund #110

- Funding for the Cultural Campus Lighting was moved forward from FY2020 to FY2019
- Maintenance (exterior painting, doors) for the VABI building was moved back to FY2020 from FY2019.

- Funding for the Fiber Optic portion of the Video Survelliance and Expansion of Fiber Optic Network Project was moved forward from FY2019 to FY2018.
- Added additional funding for the Venice Fishing Pier Rehabilitation.

Building Fund #116

- A portion of the funding for the Lord Higel House Parking Lot was moved from the General Fund to the Building Fund.
- Added two full-time equivalent (FTE) positions to the Building Department.

General Capital Projects Fund #301

• A portion of the funding for the Lord Higel House Parking Lot was moved from the General Fund to the General Capital Projects Fund.

Utilities Fund #421

• Adding funding for the Cross Connection Program.

Group Life & Health Insurance Internal Service Fund #501 and Workers Compensation Self-Insurance Internal Service Fund #502

• Adjusted these two funds for new FTE's.

MEMORANDUM City of Venice

Procurement

TO: Ed Lavallee, City Manager

THROUGH: Linda Senne, Finance Director

FROM: Peter Boers, Procurement Manager

DATE: August 15, 2018

COUNCIL APPROVAL: Yes

MEETING DATE: August 28, 2018

STRATEGIC PLAN GOAL: Upgrade and Maintain City Infrastructure and Facilities

SUBJECT: Approval of Contract with Infinite Construction, LLC in the amount of \$738,769.27 for the Venice Fishing Pier Rehabilitation

Background: At the request of the Engineering Department, Procurement has solicited sealed bids for Invitation to Bid (ITB) 3087-18 Venice Fishing Pier Rehabilitation. On June 26, 2018, six (6) responsive and responsible bids were received.

Upon evaluation of the bids, staff recommends award to Infinite Construction, LLC, of Ft. Myers, Florida, as the lowest responsive and responsible bidder, for the base bid amount of \$714,962.27 plus Alternate A in the amount of \$23,807.00 for a total of \$738,769.27. A Notice of Intent to Award was issued on August 7, 2018.

The Engineering Department has reviewed the bid responses and concurs with this recommendation. In addition to the award of the construction contract, an appropriation of \$50,000 from the One Cent Sales Tax Fund will be required in the proposed FY2019 budget for other project related costs including building permits and testing that will be direct paid by the City.

Total project costs are estimated at \$850,104, including engineering and other costs already paid and/or encumbered totaling \$61,335.

Funds Availability (account number): \$700,000 was appropriated in the One-Cent Sales Tax Fund for FY2018 for the Fishing Pier project (1CPIER). An additional budget savings of \$129,249 is available in the Service Club Boardwalk project (1CSCPB), which could be allocated to the award. Therefore, \$767,914 is available in the FY2018 Budget for the \$738,769.27 award:

Account Number	Project	Budget	Committed	Available
110-0950-539.63-00	1CPIER	\$700,000	\$61,335	\$638,665
110-0950-539.63-00	1CSCPB	500,000	370,751	129,249
				\$767,914

Requested Actions:

- a) Approve the attached contract with Infinite Construction, LLC in the amount of \$738,769.27 and grant authorization for the Mayor to execute the contract,
- b) Authorize a budget transfer in the amount of \$100,104 from the Service Club Boardwalk project to the Fishing Pier project, and
- c) Authorize an additional \$50,000 for Fishing Pier project costs in the FY2019 Budget of the One Cent Voted Sales Tax Fund.

MEMO City of Venice

City of Venice Engineering Department

To: Peter Boers, Procurement Manager

From: Kathleen Weeden, PE, City Engineer

Date: 08/07/2018

Subject: Recommendation for Bid Award to Infinite

Downtown Construction Contract Award to Quality Enterprises USA, Inc.

The Fishing Pier requires replacement of the decking and railing system including the utilities that serve the pier and the lighting fixtures. The lighting fixtures will be upgraded in Alternate A to LED fixtures under the handrail to reduce the impacts to nesting marine turtles and to meet the current Fish and Wildlife Commission (FWC) standards. The composite and wood decking and railing materials will be upgrade to IPE which is a high quality material that is expended to extend the pier useful life. Bids were advertised and opened on June 26, 2018, for the pier reconstruction.

Due to limited availability of materials, City Council was consulted at the June 12, 2018, regular meeting and there was a consensus to delay reconstruction until spring 2019 to avoid conflicts with season. The Pier Rehabilitation Construction Bid ITB #8087-18 lowest apparent bidder, Infinite Construction, LLC, has been reviewed by the Engineer of Record, Brian Stirling, PE, Stirling & Wilbur and City Engineer Kathleen Weeden and both concur to the bid award to the Infinite Construction, LLC.

In addition to the award of the construction contract, an appropriation of \$50,000 for FY19 from the 1 Cent Sales Tax Fund will be included in the proposed FY19 budget for other project related costs including building permits and testing that will be direct paid by the City.

City of Venice, Florida Capital Improvement Project Request FY 2019

Department/Division: Engineering
Contact Person: City Engineer

Project Title: Venice Fishing Pier Rehabilitation

Project Number: ICPIER

Estimated Start Date: 19-May Estimated Completion Date: 19-Sep

Relationship to Community Vision and City Council Strategic Goals

Investment Objective:

Maintain Service

Strategic Plan Goal: Upgrade City Infrastructure & Facilities

Description/ Justification:

The Venice Public Fishing Pier requires rehabilitation of the decking, railing, lighting, electrical and plumbing facilities. The construction contract was funded in FY18. The FY19 appropriation is for project related costs such as building permit fees and testing that will be required prior to and during construction activities.

MEMORANDUM City of Venice

Building Department

TO: City Manager, Ed Lavallee Y

FROM: Jeff Shrum, Development Services Director

DATE: July 20, 2018

COUNCIL APPROVAL: Yes MEETING DATE: August 28, 2018

STRATEGIC PLAN GOAL: Provide Efficient, Responsive Government with High Quality Services

SUBJECT: Additional Staff for FY2019 Budget

Background: As you may be aware, Greg Schneider has been appointed as the new Building Official. Greg's abilities in conducting and scheduling all building inspections, conducting plan review, and dealing with building code issues are some of the strengths he brings to the position. However, additional staffing, for specific job functions, is needed to help in his transition and to address increased demand due to development activity. Specifically, staff is requesting two new fulltime positions: 1) a Plans Examiner position to ensure plan review continues to provide quick turnaround and 2) a Divisional Permit Coordinator position to address current deficiencies in processing of permits.

To further support the request, the Building Division continues to experience a steady increase in building permit activity. This fiscal year to date, the department has seen a 12% increase in permit activity over the same period last year with a total of 4450 permit applications verses last year's 3966. While the increase in permit numbers may not seem significant, the increase in the number of complex permit types has increased by 26%. This is further emphasized by the significant increase in project valuation which has increased by 71%, (from \$1,919,279 to \$2,887,192 respectively). Examples of complex permit types include: Village on the Isle, Grand Treviso Apartments, Tuscan Gardens, Sarasota Memorial and Milano (Aria), SJMR, Heartis (assisted living facility) to mention a few. Typically, with increased complexity of projects, plan review and permit processing functions are directly correlated to increased staff time and to process these complex permit types, a greater degree of knowledge and responsibility is required. This, in addition to, the steady rise in permit applications the Building Division has experienced the past twelve months.

The Building Division's Special Revenue Fund will support these positions. The cost of increasing the work force has been analyzed by the Finance Department with a determination that the Building Division's revenues can support the additional staff. The cost for both full time positions, with benefits, is estimated at \$172,981 annually.

Requested Action: City Council approval to add two additional staff positions to the building departments FY2019 budget.

Upgrade Service

MPO Paul Joyce **Contact Person:**

Project Title: Marine Trailer

Project Number: TBD

Estimated Start Date: 2019 **Estimated Completion Date:** 2019

Relationship to Community Vision and City Council Strategic Goals

Investment Objective: Strategic Plan Goal: Financially Sound City

Description/ Justification:

A 1996 Construction Trailer is currently used as our marine law enforcement office. This trailer is over 20 years old and is shared with four other marine agencies, with Venice Police Department as the sole care taker. The trailer is too small and has some rot within the structure. CIP request will be used for the new building improvements to include disconnect and reconnect of utilities and to help match assistance with West Coast Inland Navigation District who will be providing the majority of the funding for the new building.

Project Title: Building Reserve

Project Number:

Estimated Start Date: $\frac{FY 19}{FY 23}$

This money is still being set aside annually. However, it has been removed from the CIP since it is a "reserve" and not a "capital expenditure." The capital expenditure is presented instead in a separate line item.

Relationship to Community Vision and City Council Strategic Goals

Investment Objective: Maintain Service Strategic Plan Goal: Standard Operational Needs

Description/
Justification:

Beginning in FY2018, \$1 million is set aside for building replacement. Projects include constructing a new Fire Station 51 (estimated at \$5 million), and relocating Public Works to the current police station property (estimated at \$2 million). Bridge financing may be required so a project can be started before the entire cost has been accumulated. Some portion of the cost of the fire station project may be eligible for funding by Fire Impact Fees.

Project Title: Venice Police Video Survelliance and Expansion of Fiber Optic Network

Project Number: NA

Estimated Start Date: 10/1/2018 Estimated Completion Date: 9/30/2019

Relationship to Community Vision and City Council Strategic Goals

Investment Objective: Expand Service Strategic Plan Goal: Upgrade City Infrastructure & Facilities

Description/ Justification:

This project is to install enhanced video surveillance cameras for the Venice Police Department and to expand the City of Venice's fiber optic network downtown and near the airport for these cameras. Project will also include the installation of wireless millimeter wavelength radios and receivers on the city's network where expansion of the fiber optic network is cost prohibitive at the Venice Fishing Pier and Venice Jetty and Festival Grounds. Initial project costs totalling \$28,825 were encumbered in FY 2018.
