SUBJECT: Donation of police rated vehicles to the Sarasota County Schools Police Department

Background:

The city has two (2) police rated vehicles is scheduled for disposal and have already been replaced in Fiscal Year 2018.

The following units listed are to be disposed per our city's disposal process.

Unit # 81 a 2011 Ford Crown Victoria estimated auction price of \$1500.00

The School District of Sarasota County (District) has recently created a Sarasota County Schools Police Department. With concurrence from both the Police Chief and Fire Chief, Public Works requests approval to offer the units to the District's Police Department.

The Vehicles will be sold or donated with the lights and cages as they have no resale value, and will not fit into the newly purchased units. This offer will help them get started and will used within Sarasota County to protect our schools and children. The suggested offer to them will match other municipalities at twenty-five percent (25%) of estimated auction value. The offer will be to sell the units at a price of \$375.00 each to the SRO, unless directed to donate them without a charge.

If the District declines to accept any of the Vehicles, Staff requests approval to auction the unit(s) at Auction or on PublicSurplus.

Requested Action: Approval to donate to SRO, or auction if donation is denied.
