Fees

Application filing fee.

Public notice fee in excess of \$50 will be billed to applicant and is not included in application fee.

Narrative

The scrivener's errors identified for the Venice 2017-2027 Comprehensive Plan are the result of inadvertent errors and omissions that occurred during the construction of the maps, tables, and text that comprised the final adopted plan. While this amendment includes just five main corrections, these corrections necessitate that all associated tables, figures, and text throughout the comprehensive plan be updated as well.
