Hi Bob,

We are in! We already have an initiative in the works for artwork in the major alley downtown. This will fit into our project nicely.

I just visited Harbor Lights and found this idea about painting all our storm drain inlets that are connected to the Gulf Outfalls.

Can we count on Main Street and Hands Over Water to paint these inlets?

I will ask a paint company to donate the paint and some brushes .

Give me your thoughts by this weekend so I can place on council agenda.

Thanks, Bob

Sincerely,

Vice Mayor, Bob Daniels

Great idea. We did this in Md for the Chesapeake Bay. In addition to the covers being painted, they stenciled “**Don’t Dump - Chesapeake Bay Drainage**” on the concrete curb above the drain cover. We could do: **Don’t Dump – Gulf Drainage** in red letters? Here is the link to the Chesapeake Bay Foundation website on stenciling.

Your thoughts. These are the ones that dump into our Gulf outfalls.
