Date: Sunday, November 4, 2018 6:14:46 PM

New Business ... City Manager / Police Chief

We have had lots of discussion about our Island Business visitors.
Two years ago the city installed permant traffic counter at the entrance of our 3 Gateways.
Please provide data on these 3 Gratways in the following spreadsheet format :
Side by side years 16,17,18 Monthly totals Jan. Thru Oct.

Then run the data on same years and months, but report weekly AM vs. PM counts

Council and Main Street will be able to review traffic data for trends

Sincerely,

Vice Mayor, Bob Daniels
