RE: Save the Straws

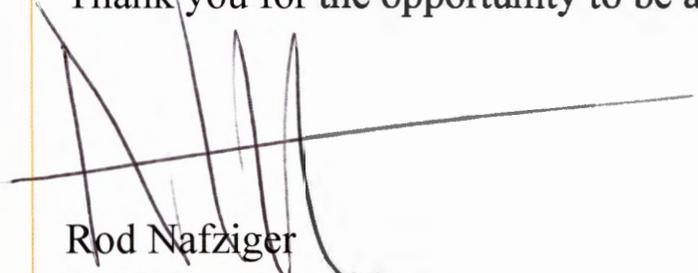

Dear City of Venice Environmental Advisory Board,

Venice MainStreet is a 31 year old nonprofit committed to the Historic Preservation and Economic Vitality of Historic Downtown Venice. Our hundreds of partners represent a wide variety of community stakeholders.

We are pleased to offer our support to the *Save the Straws* initiative, the voluntary restriction on plastic straws in our community.

The Venice MainStreet Board of Directors supports this initiative as an awareness campaign encouraging our community to choose environmentally friendly and sustainable options in all aspects of their lives.

Thank you for the opportunity to be a part of this initiative.

Rod Nafziger
2018 Board President
