

Office of the Mayor

Venice, Florida
"City on the Gulf"

Proclamation

Whereas, engineers help design, construct and maintain the infrastructure and facilities that contribute to a high quality of life for all residents of Florida; its growth depends on engineers executing innovative, creative, high-quality solutions to technical problems; and

Whereas, engineers are bound by ethical canons to hold paramount the safety, health and welfare of the public, promote social and economic interests of the profession, and stimulate and develop professional concepts among all engineers through education and in practice; and

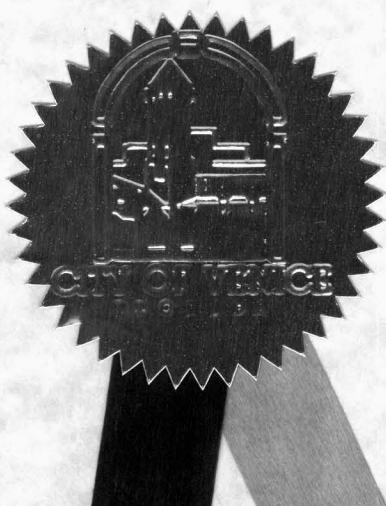

Whereas, engineers contribute directly to the quality of life in the City of Venice by working with others to improve the safety and quality of our roads, houses, workplaces, water, environment and the products we use; and

Whereas, members of the Florida Engineering Society, Florida Water Environment Association, American Society of Civil Engineers, American Water Works Association, American Public Works Association and the Florida Institute of Consulting Engineers are making strides to interact with the public sector and local schools to prepare future engineers to maintain our economic leadership and quality of life, and it is fitting that we recognize and honor the continuing contributions of America's engineers by observing Engineers Week with the theme: "Engineers: Invent Amazing!"

Now, Therefore, I, John W. Holic, Mayor of the City of Venice, Florida, on behalf of the Venice City Council do hereby proclaim the week of February 17 through 23, 2019 as

Engineers Week

in the City of Venice and ask all to encourage the increase in understanding of and interest in engineering and technology careers and the promotion of literacy in math and science.

*In Witness Whereof, I have hereunto
set my hand and caused the Seal
of the City of Venice to be affixed
this 12th day of February, 2019.*

John W. Holic, Mayor
