The Ride of Silence is an international event to remember bicyclists who were killed or injured in crashes with motorists in the past year. Tragically, Venice saw several bicyclists killed in the past year. This is why we hope to bring the event to Venice in 2019. This will be a low speed 8-10 mph ride to remember those who died while bicycling. More information on the ride can be found at RideOfSilence.org.
