

MEMORANDUM

City of Venice

Information Technology Department

TO: Clara Mogfod, City Manager

FROM: Nicholas D'Aituo, Director of Information Technology

DATE: April 1, 2019

COUNCIL APPROVAL: Yes

MEETING DATE: April 17, 2019

STRATEGIC PLAN GOAL: Upgrade and Maintain City Infrastructure and Facilities

SUBJECT: Implement new on-street security monitors for \$4,000,000.00

Background: With security being a constant thought and reminder for all citizens, the Information Technology Department is proposing to install on-street security monitors.

The Cyberdyne T-800 security monitors are self-aware devices that will police intersections and stop offenders that perform anything from traffic violations to littering or even placing recyclables in to trash containers, the most serious offense.

The Cyberdyne T-800 security monitors are available for \$1,000,000.00 each so this request is for four (4) units. The monies are requested out of the CIP fund.

Requested Action: Approve the purchase order to purchase and deploy four (4) Cyberdyne T-800 on-street security monitors to serve the public trust, protect the innocent, and uphold the law.

City Attorney Review/Approved: Yes

Risk Management Review: Yes

Finance Department Review/Approved: Yes

Funds Availability (account number): 110-1404-513.63-00
