

# The Cyberdyne T-800 on-street security monitor

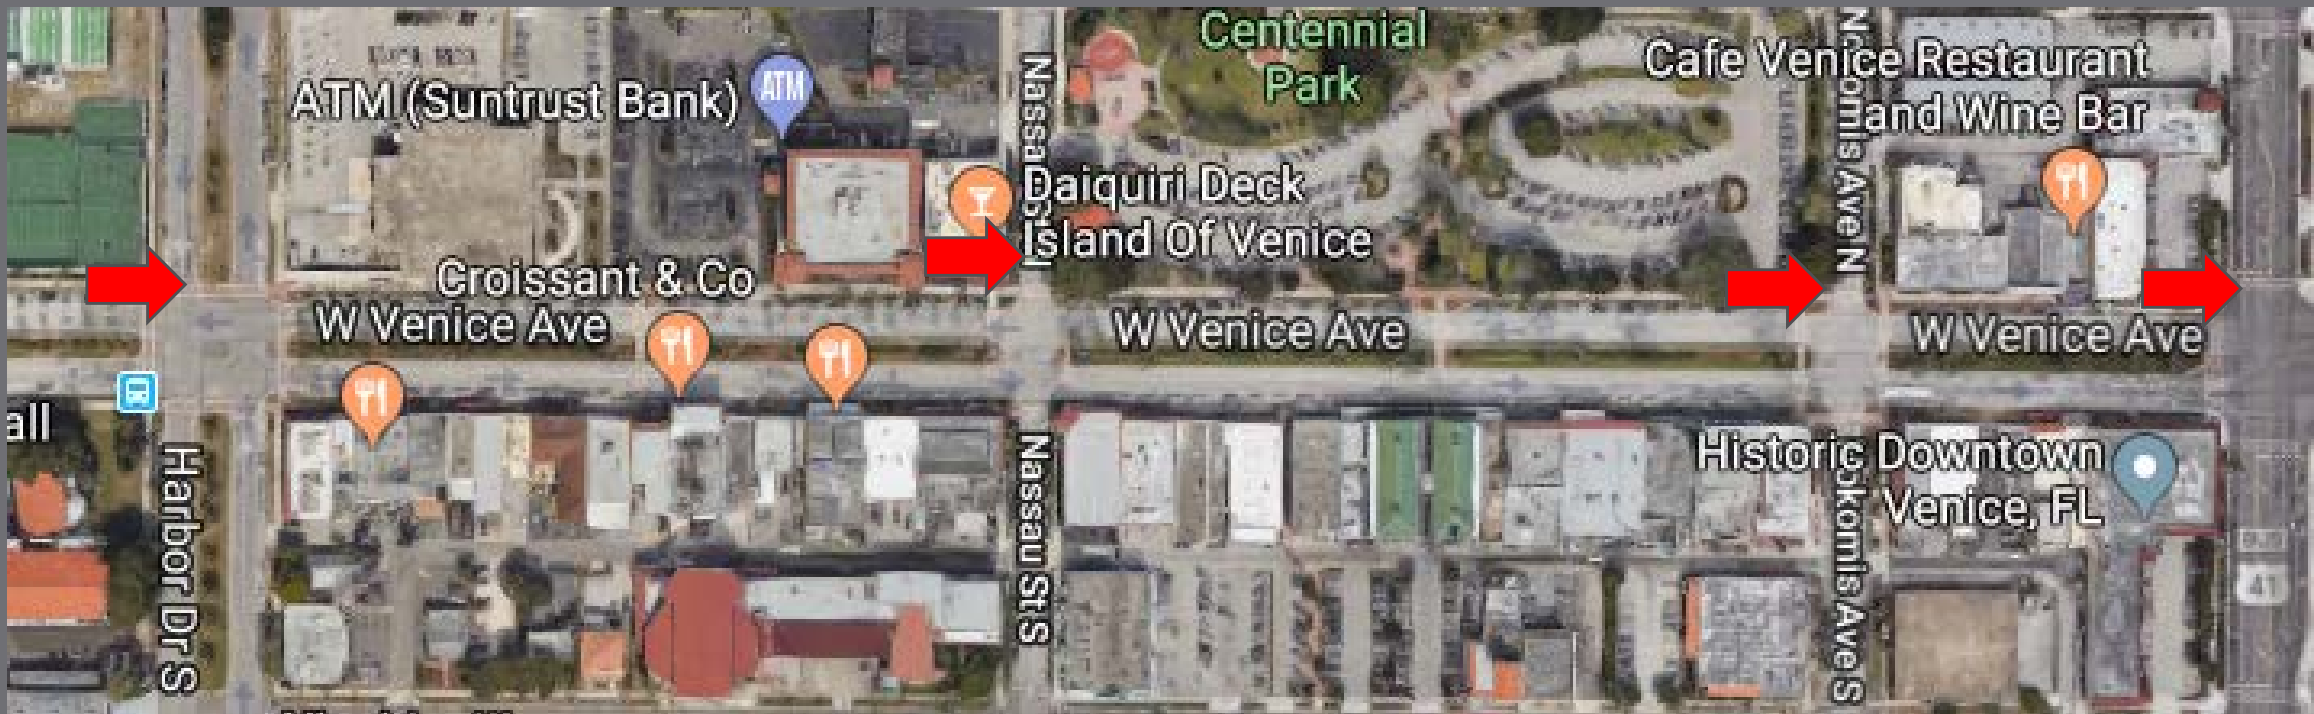

Serve the public trust.

Protect the innocent.

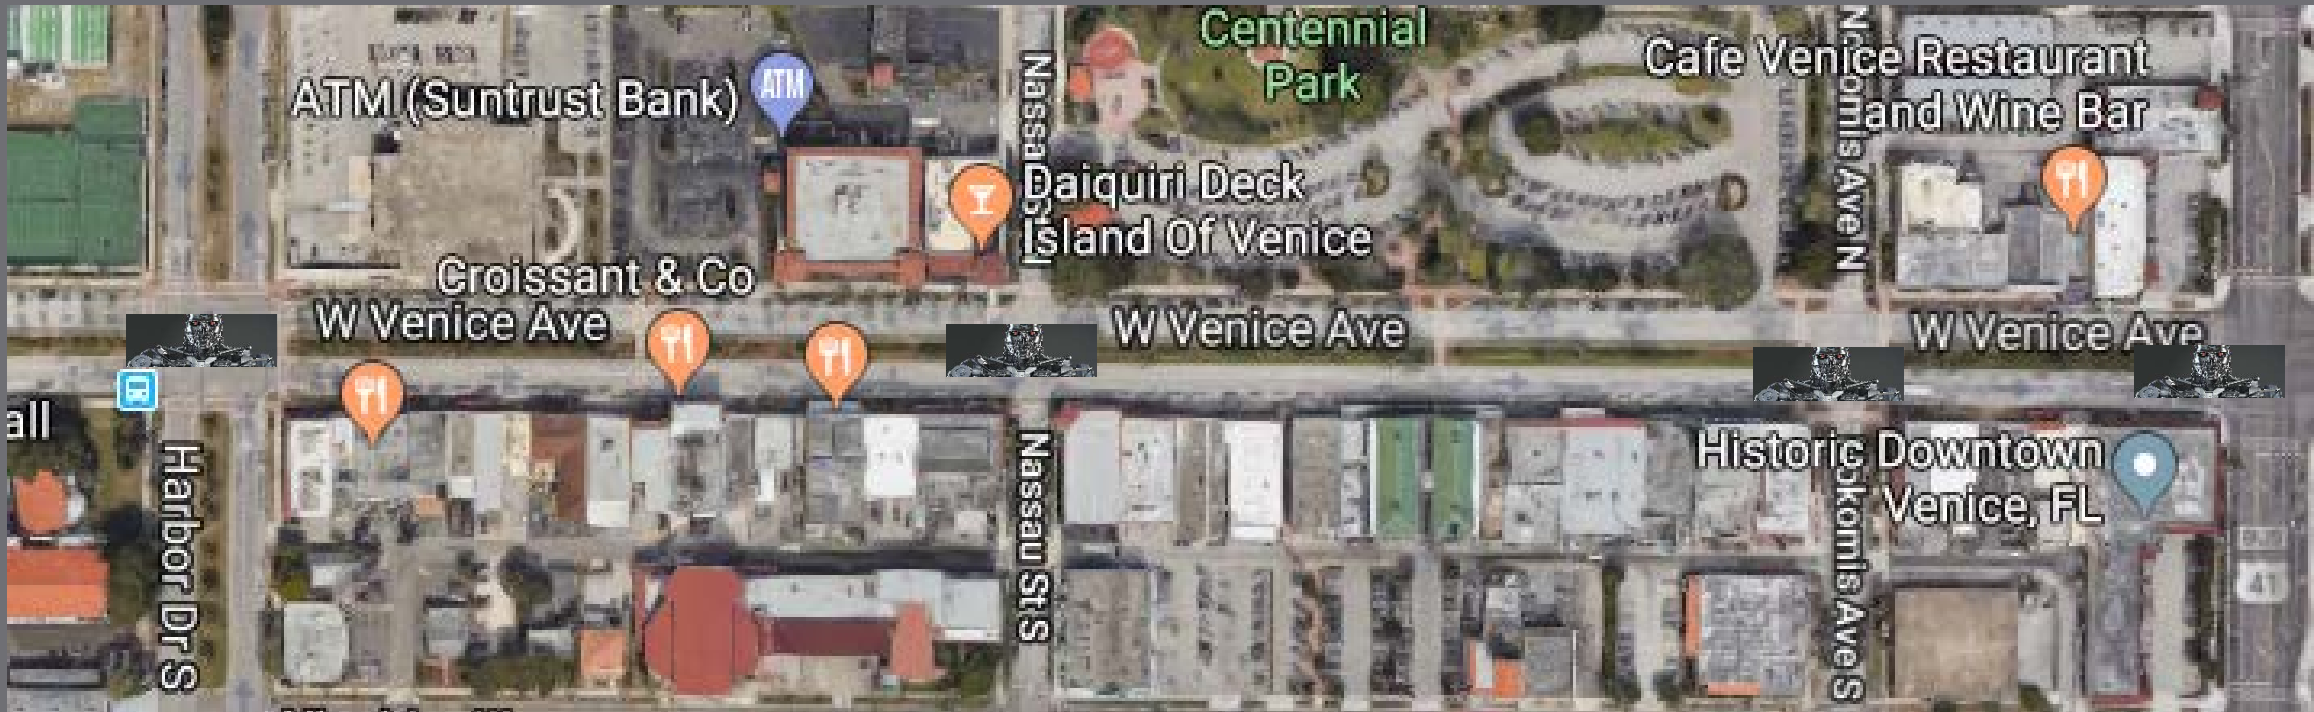

Uphold the law.

A Cyberdyne T-800 on-street security monitor ready for action!

The four initial monitors would be deployed along West Venice Avenue from Harbor Drive South to US-41.

The four initial monitors would be deployed along West Venice Avenue from Harbor Drive South to US-41.

Cyberdyne believes that a safe community is a happy community!

Questions??? Of course not!
