

**HURT ANNEXATION FINANCIAL FEASIBILITY ANALYSIS PURSANT TO SECTION 4.e OF THE CITY OF  
VENICE ANNEXATION PROCEDURES**

**4.e Financial feasibility analysis of proposed development as supplied by the applicant:**

- I. Estimate or range of property tax revenue as determined by the number of proposed residential units or square footage of commercial development. May be based upon project unit sales or similar development sales.  
**The owner of the subject property does not have immediate development plans for the property. Nevertheless, please see attached estimated property tax revenue based upon projected buildout of 700 single family homes and 300 multi-family homes with estimated taxable values of \$300,000 and \$200,000 respectively..**
- II. Revenue implications or mitigation fees and expansion of utility system users per equivalent dwelling unit (EDU).  
**Please see the attached for estimated Impact Fees and Utility Connection Fees**
- III. Description of infrastructure enhancements to transportation network, utility system, school and recreational facilities.  
**The project will be required to extend utility lines to the property and provide sidewalks along Knights Trail Road. The project will pay School Impact Fees and Park Impact Fees to enhance school and recreational facilities.**
- IV. Discussion of potential pedestrian/bike access and connectivity, environmental set asides, and buffering to mitigate impacts to existing development.  
**The project will provide enhanced connectivity with the improvement of Knights Trail Road. The project will also preserve wetlands and provide buffering to mitigate impacts to existing developments, if any.**
