\* Excludes required trees planted as part of a site development plan and Heritage, Venetian or Grand Trees \*\* All codes require Florida Grade #1 or better per the Florida Grades & Standards for Nursery Plants

Note : The average planted cost of a 2.5" caliper Live Oak is \$607.50 or \$243 per inch; the accepted ISA and CTLA appraisal method for valuation of an amenity tree with a 100% condition rating in Florida. Trees are commonly depreciated by 10 to 30% or more because of structural defects, location and/or health.
