Re: City of Venice Municipal Police Officers' Pension Trust Fund - Proposed Ordinance

Dear Amber:

As previously discussed with the Board, enclosed please find a proposed ordinance amending the City of Venice Municipal Police Officers' Pension Trust Fund. With changes to the Internal Revenue Code (IRC) and its associated Regulations, as well as guidance from the Internal Revenue Service (IRS) and recent litigation, the following amendments to the pension plan are proposed:

1. Section 50-138, Disability, is being amended to more clearly identify those individuals who may be eligible to apply for a disability pension in the event that they have resigned or their employment is terminated. This clarification does not change the way in which this provision has been applied or interpreted in the past. This change is being made because the current language has been challenged in litigation as being unclear and has resulted in unintended application of the language. The recommended change clarifies the language with no change in the intended application.
2. Section 50-145, Maximum Pension, is being amended by amending subsection (h) to provide that the limitation states exactly what is in the Internal Revenue Code.
3. Section 50-147, Miscellaneous Provisions, is being amended to add subsection (j), Missing Benefit Recipients. This provision is in accordance with a recent IRS Programs Compliance Memorandum that requires plans to have an approved method for locating terminated individuals who are due benefits from the plan.

Proposed revised Operating Rules and Procedures, outlining the specifics of this procedure, as well as updates to many other sections will be provided for the Board's consideration.

4. Section 50-158, Deferred Retirement Option Plan, is being amended to remove subsection (f)(8), Prevention of Escheat and re-number the remaining subsections. The information contained in this subsection is being expanded in accordance with IRS guidance and moved to the Miscellaneous Provisions Section of the Plan where it will apply to all benefit recipients rather than just DROP recipients.
5. Section 50-160, Reemployment After Retirement, is being amended to make several changes as required by the Internal Revenue Code to satisfy the qualification requirements applicable to the reemployment of a disability retiree. Additional changes have been made to clarify reemployment after receipt of early retirement benefits. This subsection has been amended to mirror the City of Venice Municipal Firefighters' Pension Trust Fund which has been reviewed and approved by Jim Linn.

By copy of this letter to the Board's actuary, Foster & Foster, Inc., I am requesting that they provide you with a letter indicating that there is no cost associated with the adoption of this ordinance.

Please provide copies of these documents to each member of the Board for review at the next meeting.

Yours very truly,

Scott R. Christiansen

...

...

(f) *General provisions.*

...

~~(8) *Prevention of escheat.* If the board cannot ascertain the whereabouts of any person to whom a payment is due under the DROP, the board may, no earlier than three years from the date such payment is due, mail a notice of such due and owing payment to the last known address of such person, as shown on the records of the board or the city. If such person has not made written claim therefor within three months of the date of the mailing, the board may, if it so elects and upon receiving advice from counsel to the DROP, direct that such payment and all remaining payments otherwise due such person be canceled on the records of the DROP. Upon such cancellation, the DROP shall have no further liability therefor except that, in the event such person or his beneficiary later notifies the board of his whereabouts and requests the payment or payments due to him under the DROP, the amount so applied shall be paid to him in accordance with the provisions of the DROP.~~

(9 8) *Written elections, notification.*

- a. Any elections, notifications or designations made by a member pursuant to the provisions of the DROP shall be made in writing and filed with the board in a time and manner determined by the board under rules uniformly applicable to all employees similarly situated. The board reserves the right to change from time to time and manner for making notifications, elections or designations by members under the DROP if it determines after due deliberation that such action is justified in that it improves the administration of the DROP. In the event of a conflict between the provisions for making an election, notification or designation set forth in the DROP and such new administrative procedures, those new administrative procedures shall prevail.
- b. Each member or retiree who has a DROP account shall be responsible for furnishing the board with his current address and any subsequent changes in his address. Any notice required to be given to a member or retiree hereunder shall be deemed given if directed to him at the last such address given to the board and mailed by registered or certified United States Mail. If any check

mailed by registered or certified United States Mail to such address is returned, mailing of checks will be suspended until such time as the member or retiree notifies the board of his address.

(+0 9) *Benefits not guaranteed.* All benefits payable to a member from the DROP shall be paid only from the assets of the member's DROP account and neither the city nor the board shall have any duty or liability to furnish the DROP with any funds, securities or other assets except to the extent required by any applicable law.

(+10) *Construction.*

- a. The DROP shall be construed, regulated and administered under the laws of Florida, except where other applicable law controls.
- b. The titles and headings of the subsections in this section 50-158 are for convenience only. In the case of ambiguity or inconsistency, the text rather than the titles or headings shall control.

(+211) *Forfeiture of retirement benefits.* Nothing in this section shall be construed to remove DROP participants from the application of any forfeiture provisions applicable to the system. DROP participants shall be subject to forfeiture of all retirement benefits, including DROP benefits.

(+312) *Effect of DROP participation on employment.* Participation in the DROP is not a guarantee of employment and DROP participants shall be subject to the same employment standards and policies that are applicable to employees who are not DROP participants.

SECTION 5: Chapter 50, Article III, Division 3, Municipal Police Officers' Pension Trust Fund, of the Code of Ordinances of the City of Venice, as subsequently amended, is hereby further amended by adding Section 50-160, Reemployment after retirement, to read as follows:

Sec. 50-160. - Reemployment after retirement.

Calculations of benefits upon retirement shall be based upon the benefit accrual rate, average final compensation, and credited service as of that date and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, average final compensation (based only on the subsequent employment period), and credited service as of the date of subsequent retirement. ~~(d) *After early retirement.* Any retiree who is retired under early retirement pursuant to this system and who subsequently becomes an employee of the city in any capacity shall discontinue receipt of benefits from the system. If by virtue of that reemployment, the retiree is eligible to participate in this system, the retiree shall be deemed to be fully vested and the additional credited service accrued during the subsequent employment period shall be used in computing a second benefit amount attributable to the subsequent employment period, which benefit amount shall be added to the benefit determined upon the initial retirement to determine the total benefit payable upon final retirement. Calculations of benefits upon retirement shall be based upon the benefit accrual rate, average final compensation, credited service and early retirement reduction factor as of that date and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, average final compensation (based only on the subsequent employment period), and credited service as of the date of subsequent retirement. The amount of any death or disability benefit received as a result of a subsequent period of employment shall be reduced by the amount of accrued benefit eligible to be paid for a prior period of employment. The optional form of benefit and any joint pensioner selected upon initial retirement shall not be subject to change upon subsequent retirement except as otherwise provided herein, but the member may select a different optional form and joint pensioner applicable to the subsequent retirement benefit. Retirement pursuant to an early retirement incentive program shall be deemed early retirement for purposes of this section if the member was permitted to retire prior to the customary retirement date provided for in the system at the time of retirement.~~

Any retiree who is retired under early retirement pursuant to this system and who subsequently becomes an employee of the city in any capacity shall discontinue receipt of benefits from the system. If the reemployed person, is reemployed as a police officer, he shall become a member of the Florida Retirement System and benefit payments shall remain suspended during any such subsequent employment period. If the reemployed person is not reemployed as a police officer, that person's pension benefit payments shall be suspended until the earlier of termination of employment or such time as the reemployed retiree reaches the date that he would have been eligible for normal retirement under this system had he continued employment and not elected early retirement. "Normal retirement" as used in this subsection shall be the current normal retirement date provided for under this system. Retirement pursuant to an early retirement incentive program shall be deemed early retirement for purposes of this section if the member was permitted to retire prior to the customary retirement date provided for in the system at the time of retirement.
