Subject Murphy Oaks

Submitted by Jack Worrell, 762 Egret Walk Lane, Sawgrass
8/24/2019

1. Show previous analysis of 39.6 acres.
 - Sawgrass has 45 homes. (show area map)
 - Less homes - less water runoff/traffic.

Statement from Dr Murphy's relative

(At the last "Preserves of Venice" Meeting)

- It would be nice if developed like Sawgrass (Show proposal).
- 3 ponds – interconnected. – collects run off from bridge
- reduces water to Curry Creek.

2. No "clear cut"

Like Taylor Woodrow did in Sawgrass

i.e. cut only where streets and houses are: leaving trees and preserve areas. (Show tree slide).

i.e. a home for wildlife and for noise suppression.

3. Junction Edmondson/Auburn.

- More traffic at junction
- Right-of-way is on west side – show picture.
- Using this ROW on the west side of Auburn will destroy trees on golf course and affect the #2 professional tee.
- There are cables in this ROW.
- Petitioner should provide a right turn lane from their property as they are creating the issue. (Show proposal).

4. Legacy trail

- What provision on the North boundary for the Legacy trail.

5. Other concerns:-

- Trespass onto Sawgrass and Foxlea Farm.

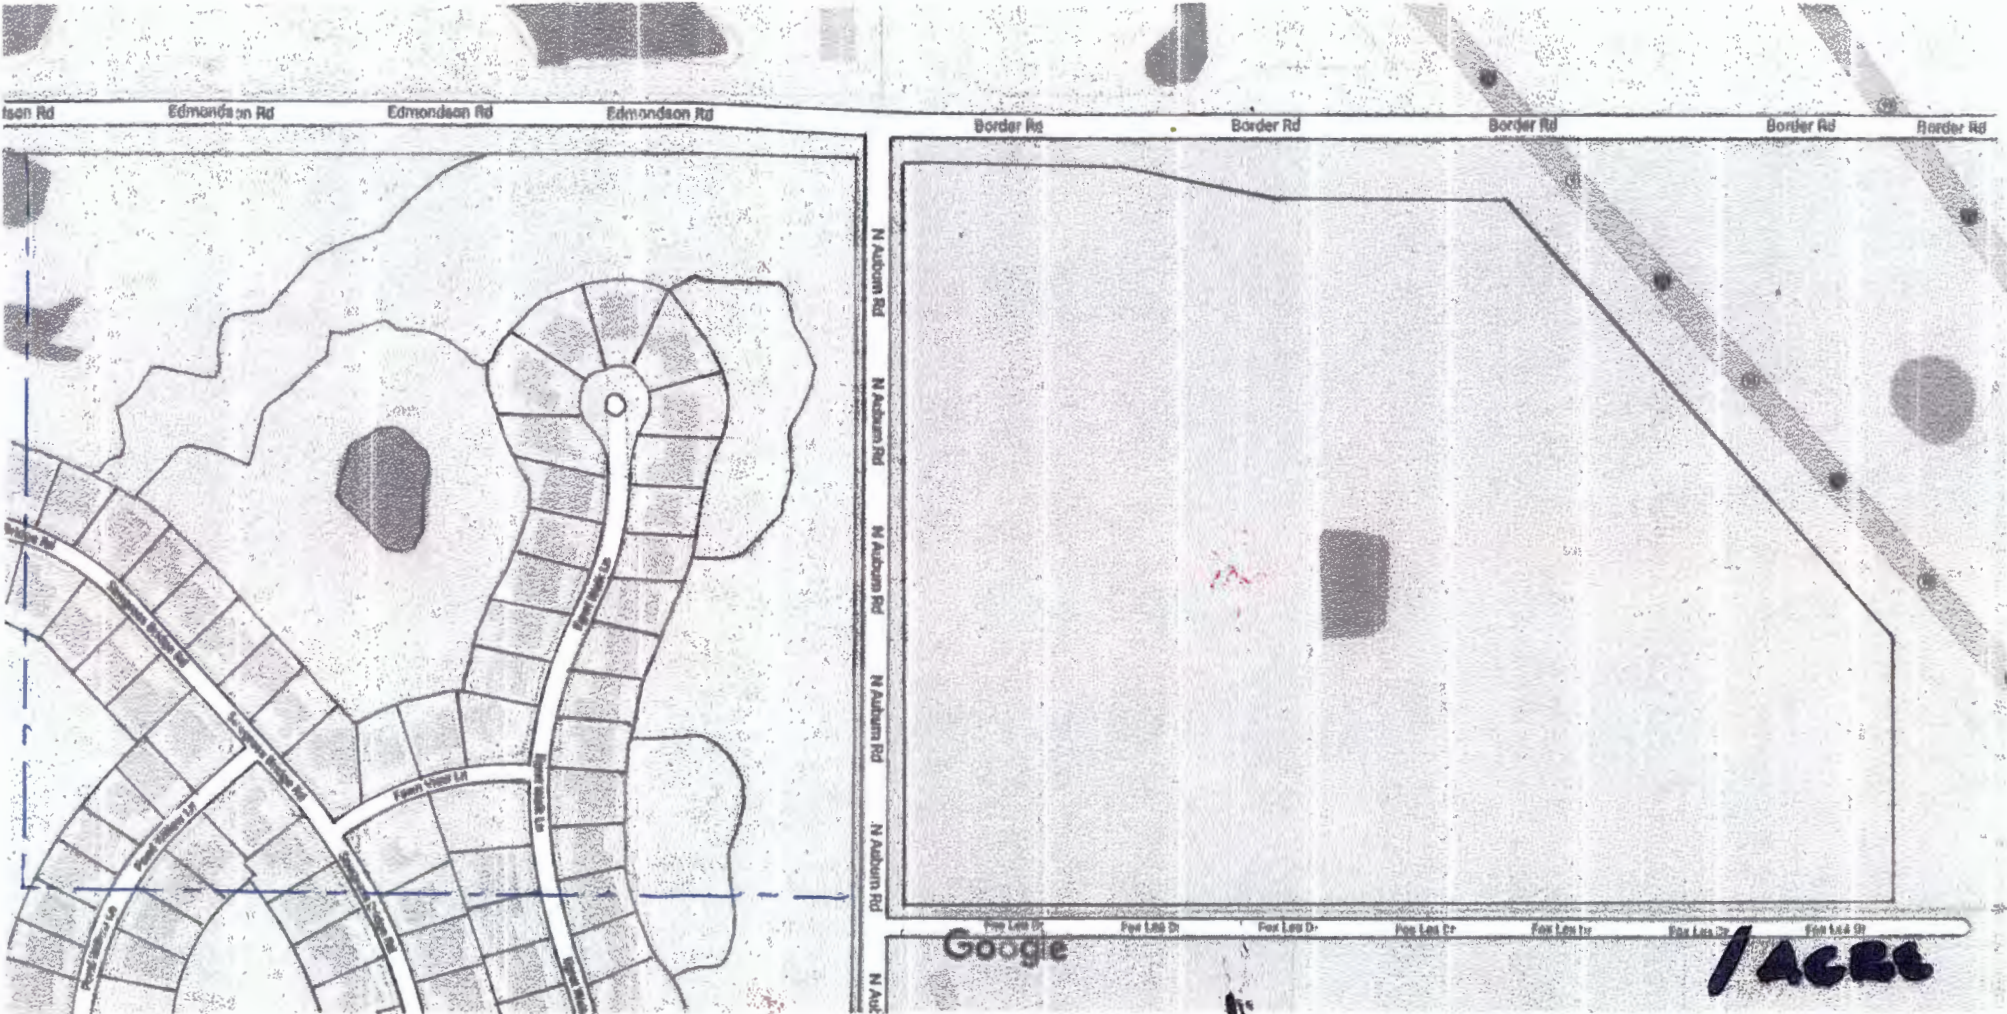

6. Council

- Annexation is for 1-3 homes/ acre
(Implicit I.e. potential - not Explicit I.e. certain).
City should have say on density – or there is no point in the 1-3.
- This petition shows that the council should have final approval
(I.e. elected members - not the planning commission.)
- Please don't settle this for a "bag of peanuts"
