To: Mayor John Holic

As you consider your vote on the Murphy Oaks project scheduled for this coming Tuesday, please keep in mind the impact it will have on the operations at Fox Lea Farm.

Not only does Fox Lea have a significant economic impact on sports tourism in Sarasota county, even more importantly on the businesses and non profit organizations in our city. The Jumping Under the Stars event has raised thousands of dollars for nonprofit organizations such as The Friends of Venice Library, the Rotary Club, and the Venice Symphony to name just three. Fox Lea continues to raise community awareness of and for such organizations in addition to financially contributing to these "charity partnerships".

Please consider the following:

1. A development plan that includes the largest buffer possible between the development and Fox Lea's property to the south.
2. Please vote NO on any development plan that would negatively impact Fox Lea's ability to continue operations.

Char Romano
Venice resident
