Interoffice Memorandum

TO: Mayor and City Council Members

FROM: Lenox E. Bramble, Assistant City Manager 

RE: Public Access Easement Pertaining to Property Located at 245 N. Tamiami Trail
(Hamilton Building)

DATE: November 14, 2019

This easement is necessary in order for public use and access that is existing today to be provided in the future. It is summarized below:

- **Public Access Easement:** This easement preserves the 12-foot wide pedestrian and bicycle path that exists abutting the south side of the Hamilton Building and provides pedestrian and bicycle connectivity between the Venetian Waterway Trail and ultimately North Nokomis Avenue.

It is recommended that City Council approve receipt of these easements and authorization of each by the City.
