FROM: James R. Clinch PE, Director of Public Works and Asset Management

DATE: November 19, 2019

COUNCIL APPROVAL: Yes

MEETING DATE: December 10, 2019

STRATEGIC PLAN GOAL: Provide Efficient, Responsive Government with High Quality Services

SUBJECT: Approval of Private Hauler Agreement & Permit Application Template

Background: Solid Waste Ordinance 2019-30, which was approved by City Council on September 24, 2019, defines the Private Waste Hauler Permit process and associated regulations. Attached is the proposed Private Waste Hauler Agreement & Permit Application which will be used to implement this program with the individual permit holders.

The intent of this permit process is to ensure safe and reliable private hauling operations within the City limits, as well as provide an additional Solid Waste revenue source through the applicable permit fees. The monthly collection fee to the private hauler company is defined within the permit agreement, and is based on the cubic yardage of waste collected within the City, per month. This permit will be issued to the private hauler company for a period of three years and will be managed by the Public Works Department.

Requested Action: Approval of Private Hauler Agreement & Permit Application Template
