FROM: James R. Clinch PE, Director of Public Works and Asset Management

DATE: November 19, 2019

COUNCIL APPROVAL: No

MEETING DATE: December 10, 2019

STRATEGIC PLAN GOAL: Upgrade and Maintain City Infrastructure and Facilities

SUBJECT: Presentation – Fire Station 1 & City Hall Expansion Project Update

Background: The Fire Station 1 & City Hall Expansion Project was approved for design by City Council on February 26, 2019. This project involves the demolition and reconstruction of Fire Station 1, originally constructed in 1974; an expansion to the existing City Hall building, to provide additional workspace for the Building Department; and selective renovation work within the existing City Hall building. The project also includes the installation of an emergency generator to serve the entire campus, a new central energy plant, additional parking spaces, security upgrades, ADA access improvements, increased public meeting space and increased office workspace for City Hall.

This presentation is intended to update City Council on the project progress, schedule and budget.
