City Council

Following passage of the City Charter in 1926, the City of Venice became incorporated and governed by a Mayor and Council. The seven Council members, including the Mayor, are elected at large for staggered three-year terms. The Council is vested with all legislative powers and its members are the community's decision makers. Council typically meets twice a month in order to hold public hearings and make policy decisions regarding municipal business and services and frequently meets in joint workshops to develop policy programs. The Venice City Council promotes open access to and participation in city government processes, ensuring a quality community with a safe and attractive environment.

Goal One: Keep Venice Beautiful and Eco-Friendly
