Subject: Invitation to Board meeting

Jennifer Cooke

I am contacting your organization of the behalf of the Venice Environmental Advisory Board. The board will on June 23 at 1PM in council chambers to consider a proposal encouraging the use of biodegradable utensils, food and drink containers by food service business within the city and a resolution requiring the use of these items in all public events that require city licensing and permitting.

The board is contacting your organization so that any members that are impacted be able to participate allowing the board to fully informed on all various aspects. We recommend the members of your organization deciding to be involved either in person or virtually contact in a timely manner the city clerk's office at (941) 882-7396.

In great appreciation

Ronald Courtney
Vice Chair
Venice Environmental Advisory Board
