Interests & Experiences

Are you currently serving or have you served on a city board?

☐ Yes ☒ No

Why are you interested in serving on a board or commission?

I want to have the chance to give back, the city has been very very good to me. The recreational facilities and parks in our community are fantastic and we need to keep them that way. We also need to adapt and grow along with the size of our community. I was a part of Gulfcoast community foundations leadership program and got to know my own city even better.
